

As we strive to make booking a table at Amaretto as smooth and uncomplicated as possible, we would like to provide you with updated details regarding our reservations system.

As an independent family business, we rely on reservations being honoured. Thus, we kindly ask that if you need to make any amendments to your reservation, please do so as soon as possible. You can contact us 01505 610 660 and we will be more than happy to assist.

We are eager to accommodate special requests and dietary requirements to ensure your visit with us is as enjoyable as possible, so please do not hesitate to make us aware of these, along with any allergies in your party.

For reservations of 5 or more people and special events, we require card details to secure your booking. These details are securely kept with a third party called Stripe and will only be charged if the cancellation terms are not met. We ask for 6 hours' notice of a cancellation or reduction in numbers, reservations that fail to give this notice will automatically incur a £20pp fee. We will contact you a day or two prior to your reservation via telephone or email to confirm your booking, we are unable to hold unconfirmed bookings.

We also know that life can get in the way (most notably when it comes to travel delays) so please do let us know if you are running late so we can guard your table.

We hope that this information is useful. If you have any questions, please do not hesitate to email or phone us on 01505 610 660.
